

Appln. No. 10/062,176
Amendment dated August 19, 2004
Reply to Office Action of May 19, 2004

REMARKS/ARGUMENTS

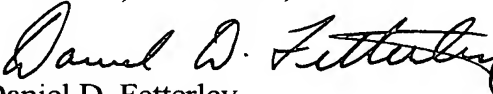

The allowance of claim 7 and claims 9-20 in the Office Action of May 19, 2004 is noted and appreciated. By the present amendment, claim 1 has been amended to contain the subject matter of allowed claim 7, thereby to place this application in condition for allowance

Claim 1 has also been amended to make it clear that the claimed subject matter is the combination of a liquid reservoir, a flow control means, and contiguous surface member in the nebulizer. The elements of the claimed combination are thus believed clearly set forth in claim 1.

Withdrawal of the rejections and passage of the application to allowance is respectfully requested.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP
